Dear Parents/Carers

I am writing to tell you about an exciting new reading incentive for our children. Each Monday, your child's class teacher will make a note of children within the class who have read at home at least three times during the week and pass this information onto me. I will then assign each child with a numbered duck that will run in our weekly digital 'Duck Race' which will take place during our weekly achievement assembly. The winning 'duck' will give the child assigned with that number a prize of 10 star points!

I am sure our children will really enjoy cheering on their 'duck' during the race and will be excited to tell you when their duck has won! Please can we kindly remind you to write a comment in their reading diary each time they have read with you at home.

Thank you for your continued support,

Mrs Andrew  
Reception Year Leader
