

2nd February 2024

Dear Parents/Carers

This half term we have been thinking about two of our values 'Communication' and 'Collaboration'. We have been thinking about different ways we can communicate and during our assemblies, we have been thinking about the power of words to achieve change. We have also been celebrating the many different languages within our school.

Last week, the children took part in the RSPB 'Big Garden Birdwatch'. We discovered many different varieties of birds in our school grounds and I know that many families then took part in this at home over the weekend.

Well done to the children in Year 5 and Year 6 who represented the school in a Poetry Slam. They worked hard to learn and perform four different poems and represented the school admirably. They coped well with the pressure of being the last to perform and both year groups won!

Parents Evening

This will take place on Tuesday and Wednesday next week. To book an appointment for your child/children, please use your My Child at School App. If you have not yet downloaded the App, this is available on your App Store on your smart phone or tablet and then contact the school office for the login details. Feel free to stop by the studio on the way in or out for some refreshments. The Blossom Hub will also be open for any uniform you may need.

Maths Day

Children across the school have had fun today investigating different aspects of Maths. They have used different picture books as an inspiration and have explored number patterns; properties of shape and developed their understanding of mathematical vocabulary.

Staffing

Mrs Wileman leaves us today to move onto new challenges. We would like to wish her the very best and thank her for hard work supporting our younger children.

Diary dates

6 th February	-	Parents Evening
7 th February	-	Parents Evening
12 th to 16 th February	-	Half Term – school closed
