Headteacher: Mrs G. Franklin

Dear Parents/Carers,

Year 2 have started to learn times tables and will be completing a timed test each week.

The test looks like the one to the right of this letter and the children will have 6 seconds to answer each question.

To support your child at home with learning the times tables, we will be sending home a Times Tables Rock Stars login. On here, your child will be set tasks and can compete against others.

Here is a helpful guide for parents:

Your child will be learning:

- 10 times tables in the autumn term
- 5 and 2 times tables in the spring term
- Consolidating 10, 5 and 2 times tables in the summer term

As well as having access to Times Tables Rock Stars, your child will bring home games or activities relating to the times tables we are focussing on.

If you have any questions, please do not hesitate to ask your child's class teacher.

Thank you for your continued support,
The Year 2 Team
