Dear Parents/Carers,

Tapestry online journal application

We hope you are enjoying our Tapestry online journal app. The children thoroughly enjoy sharing the photographs uploaded onto their individual journals with their friends in class each week.

Home learning is uploaded onto Tapestry each Friday and has information about the week's learning in school and activities you can do at home to support your child with their learning.

Please feel free to share any special times, news, achievements or other activities on Tapestry, we really enjoy sharing these with the children and celebrating all of their accomplishments.

If you need any support with accessing this application or have any questions, please do come and speak to your child's classteacher.

Thank you again for all your continued support; it is always very much appreciated.

Mrs Atkins

Assistant Headteacher for Early Years
